*We were little hesitated to come to MOTEL but we had very good time. We have always stayed at hotel or Resort & but we wanted to save some money and one of my wife's co-worker suggested to come here at Lake Geneva Motel and we are glad we did. There are so many things going on & we needed to get away & We will be back here again shortly. Manager is very friendly and place is very nice. Liz 2008*
